Katrina Relief

We have reserved the week of October 17-23, 2010 to go to New Orleans to continue our relief work. There is still a lot of work and rebuilding that needs to be done. The work will be similar to Habitat, inside work only; putting up sheet rock, painting, maybe flooring, whatever is needed. We will be placed at the level of experience. If you have electrical or plumbing skills that is always appreciated. Please consider this outreach as they still need help in rebuilding this unique city. For more information, please contact Karen Callahan, (303) 790-0772.

Mat and Angie - Giving/pledging envelopes and picture postcards are available at the reception desk, if you care to support their important work in central Asia or be on their email mailing list. Their latest newsletter just arrived. Copies are on the reception desk.

The Perspectives Study Program is a ministry of the U.S. Center for World Mission- a non-denominational parachurch ministry that works with churches, mission agencies, and campus ministries around the world. The program is run locally around the country by teams of volunteers: alumni who have been personally impacted by Perspectives and have a desire to mobilize their community to God's global purposes. Perspectives is not so much a course, as it is a "movement" involving tens of thousands of God's people throughout the world finding their niche in God's overall purpose to bless the nations. It will be offered at the Southern Gables Church at 4001 S. Wadsworth starting Saturday, August 28. Register at www.Perspectives.org.

Registration deadline is August 8; please sign up now. Come to our next preview Party, **August 1 at 9:30 a.m.** in the **Library!** We already have over 50 people—young and old alike—who have registered for this wonderful series. Join with us! Dave Ramsey can be heard on 560 AM Monday - Friday Noon to 1 p.m. Check him out. He's humorous, biblical and knows the financial field.
