Mid-July 2016

Summer Fellowship in the Park

A great time was had by over 200 people, including 50 children! Thanks goes to Joanne Wille and her team who hauled furniture, set up the tables, picked up savory meats and arranged everything so nicely. Despite the heat, people enjoyed meeting new members and catching up with old friends. Many people played volleyball, corn hole and other games. Thanks, Steve Wille, for the great pictures!
